

Simply Loved Quarter 4 Adaptations

Pre-K & K Quarter 4, Unit 3, Week 1

Jesus Is Tempted

Opening Options

Video lessons at home:

- Mount Blocks: No changes needed! Add blocks to family supply lists.
- Colorful Food: Families can use crayons, markers, or whatever art supplies they prefer.

At church or with several families in a home:

- Mount Blocks: If you are concerned about kids touching the same set of blocks, include several cups in each individual supply box, and have kids build with cups instead of blocks.
- Colorful Food: Add crayons and paper to each child's individual supply box. Have kids draw food instead of painting it.

Sing and Play

Video lessons at home:

- Your playlist will look like this! You'll record the highlighted segments. Thanks!

Video 1: "Hello, My Friends" song*, Bible Point Introduction, and Buzzly Bee Intro

Buddy Video: Sal Week 1*

Music Video: "I Have Decided to Follow Jesus"*

Video 2: Bible Memory Buddy and Verse

Music Video: "Your Power Will Pull Us Through"*

At church or with several families in a home:

- No changes this week!

Bible Discovery

Video lessons at home:

- Lead the lesson as written. Add blocks to family supply lists.

At church or with several families in a home:

- Rather than “Knee-to-Knee,” make “Arms Out & Eye-to-Eye” Circles. Appropriately distanced tape marks on the floor will help.
- Instead of building block towers, have kids imagine they are on top of a tall building and pretend to look down.
- Instead of building a mountain, have kids pretend to climb a mountain. When they leave the mountain, have them instead sit with their Connect Crews to relax.

Apply-It Options

Video lessons at home:

- Families can play the game at home as written.
- Skip Food-n-Friendship.
- Send Coloring Creation* pages to families ahead of time.

At church or with several families in a home:

- Play the game as written, making sure kids spread out as they cross the room.
- Follow your church’s safety protocols for distributing food in Food-n-Friendship.
- Add Coloring Creation* pages and crayons to individual supply boxes. You could skip adding food stickers to the page so kids need less close assistance.

Goodbye Circle

Video lessons at home:

- Send Bible Memory Buddy stickers* to families ahead of time.
- For your video lesson, play “Goodbye, My Friends”* and do the motions.
- Instead of having families pause the video, play the Bible Memory Verse song as families give stickers at home.

At church or with several families in a home:

- “Hide” Bible Memory Buddy stickers* upside down in individual supply boxes.
- Call kids by name, and invite them to find their Bible Memory Buddy stickers in their supply boxes.

Jesus Washes His Friends' Feet

Opening Options

Video lessons at home:

- Block Appetit!: No changes needed! Add blocks to family supply lists.
- Watercolor Wash: Families can use crayons to draw the feet, then brush over them with water.

At church or with several families in a home:

- Block Appetit!: If you are concerned about kids touching the same set of blocks, include play dough in the individual supply boxes, and have kids sculpt food instead of building a restaurant with blocks.
- Watercolor Wash: Add a paintbrush and paper to each child's individual supply box. Have Crew Guides facilitate kids taking turns with the watercolor paints.

Sing and Play

Video lessons at home:

- Your playlist will look like this! You'll record the highlighted segments. Thanks!

Video 1: "Hello, My Friends" song*, Bible Point Introduction, and Buzzly Bee Intro

Buddy Video: Sal Week 2*

Music Video: "I Have Decided to Follow Jesus"*

Video 2: Bible Memory Buddy and Verse

Music Video: "All That Is Good"*

At church or with several families in a home:

- No changes this week!

Bible Discovery

Video lessons at home:

- Lead the lesson as written. Add wet wipes to family supply lists.

At church or with several families in a home:

- Rather than “Knee-to-Knee,” make “Arms Out & Eye-to-Eye” Circles. Appropriately distanced tape marks on the floor will help.
- Have kids wipe their own hands, while closing their eyes and imagining it’s Jesus cleaning their hands. Change the question to ask how they felt when they pictured Jesus cleaning their hands.
- When you help kids with tying their shoes and writing their names, skip fixing the hairbow.

Apply-It Options

Video lessons at home:

- Families can play the game at home as written. It’s okay to just have one Friend and one Humble Helper.
- Skip Food-n-Friendship.
- Send Coloring Creation* pages to families ahead of time.

At church or with several families in a home:

- For the game, play Freeze Dance using the Bible Memory Verse Song.
- Follow your church’s safety protocols for distributing food in Food-n-Friendship.
- Add Coloring Creation* pages and crayons to individual supply boxes. You can use crayons instead of watercolors so kids need less close assistance.

Goodbye Circle

Video lessons at home:

- Send Bible Memory Buddy stickers* to families ahead of time.
- For your video lesson, play “Goodbye, My Friends”* and do the motions.
- Instead of having families pause the video, play the Bible Memory Verse song as families give stickers at home.

At church or with several families in a home:

- “Hide” Bible Memory Buddy stickers* upside down in individual supply boxes.
- Call kids by name, and invite them to find their Bible Memory Buddy stickers in their supply boxes.

Jesus Teaches Us How to Pray

Opening Options

Video lessons at home:

- Build It Again: No changes needed.
- Painted Prayers: Families can use whatever art supplies they have available.

At church or with several families in a home:

- Build It Again: Include 5-8 blocks in each child's individual supply box.
- Painted Prayers: Use crayons instead of watercolor paints. Add crayons and paper to each child's individual supply box.

Sing and Play

Video lessons at home:

- Your playlist will look like this! You'll record the highlighted segments. Substitute the "No, Not One" music video for "Good Good Father" for copyright reasons. Thanks!

Video 1: "Hello, My Friends" song*, Bible Point Introduction, and Buzzly Bee Intro

Buddy Video: Sal Week 3*

Music Video: "I Have Decided to Follow Jesus"*

Video 2: Bible Memory Buddy and Verse

Music Video: "No, Not One"*

At church or with several families in a home:

- No tweaks this week!

Bible Discovery

Video lessons at home:

- Lead the lesson as written. Hooray!

At church or with several families in a home:

- Rather than "Knee-to-Knee," make "Arms Out & Eye-to-Eye" Circles. Appropriately distanced tape marks on the floor will help.
- Change the instructions to avoid high-fives and hugs.

Apply-It Options

Video lessons at home:

- Families can play the game at home with a few tweaks. If needed, they'll designate a location rather than a person where they can go to be safe. To avoid running in homes, this can be a version of Tag where everyone must move using baby steps.
- Skip Food-n-Friendship.
- Send Coloring Creation* pages to families ahead of time.

At church or with several families in a home:

- Have "It" use a pool noodle to tag others from a distance. Instead of running to you for help to avoid being tagged, Runners will freeze when tagged and can call out to you for help. You'll say, "You're free!" to set kids free.
- Follow your church's safety protocols for distributing food in Food-n-Friendship.
- Add Coloring Creation* pages and crayons to individual supply boxes. You could skip gluing the chenille wire speech bubble onto the page so kids need less close assistance.

Goodbye Circle

Video lessons at home:

- Send Bible Memory Buddy stickers* to families ahead of time.
- For your video lesson, play "Goodbye, My Friends"* and do the motions.
- Instead of having families pause the video, play the Bible Memory Verse song as families give stickers at home.

At church or with several families in a home:

- "Hide" Bible Memory Buddy stickers* upside down in individual supply boxes.
- Call kids by name, and invite them to find their Bible Memory Buddy stickers in their supply boxes.

The Good Samaritan

Opening Options

Video lessons at home:

- Building-Block Road: No changes needed.
- Paint a Heart: Families can use whatever art supplies they have available.

At church or with several families in a home:

- Building-Block Road: Include 5-8 blocks in each child's individual supply box.
- Paint a Heart: Use crayons instead of watercolor paints. Add crayons and paper to each child's individual supply box.

Sing and Play

Video lessons at home:

- Your playlist will look like this! You'll record the highlighted segments. Thanks!

Video 1: "Hello, My Friends" song*, Bible Point Introduction, and Buzzly Bee Intro

Buddy Video: Sal Week 4*

Music Video: "I Have Decided to Follow Jesus"*

Video 2: Bible Memory Buddy and Verse

Music Video: "No, Not One"*

At church or with several families in a home:

- Have kids give distance hugs by reaching their arms out, rather than give side hugs.

Bible Discovery

Video lessons at home:

- Add tissues and adhesive bandages to the family supply list.

At church or with several families in a home:

- Rather than "Knee-to-Knee," make "Arms Out & Eye-to-Eye" Circles. Appropriately distanced tape marks on the floor will help.
- Instead of forming pairs, kids can wipe and bandage their own hands.

Apply-It Options

Video lessons at home:

- Instead of Freeze Tag, play Freeze Dance using the Bible memory verse song.
- Skip Food-n-Friendship.
- Send Coloring Creation* pages to families ahead of time.

At church or with several families in a home:

- Instead of Freeze Tag, play Freeze Dance using the Bible memory verse song.
- Follow your church's safety protocols for distributing food in Food-n-Friendship.
- Add Coloring Creation* pages and crayons to individual supply boxes. You could skip sticking the bandage to the page so kids need less close assistance.

Goodbye Circle
