# Ce mois-ci This month

Ce mois ci ne manque pas de  
dessins, mais c' est beaucoup  
de trucs random, qui viennent  
directement de mes carnets.  
Ca termine cependant avec une  
petite avant-première de ma  
prochaine BD instagram.  
J' espère qu' elle vous plaira.  
Énorme kiss.

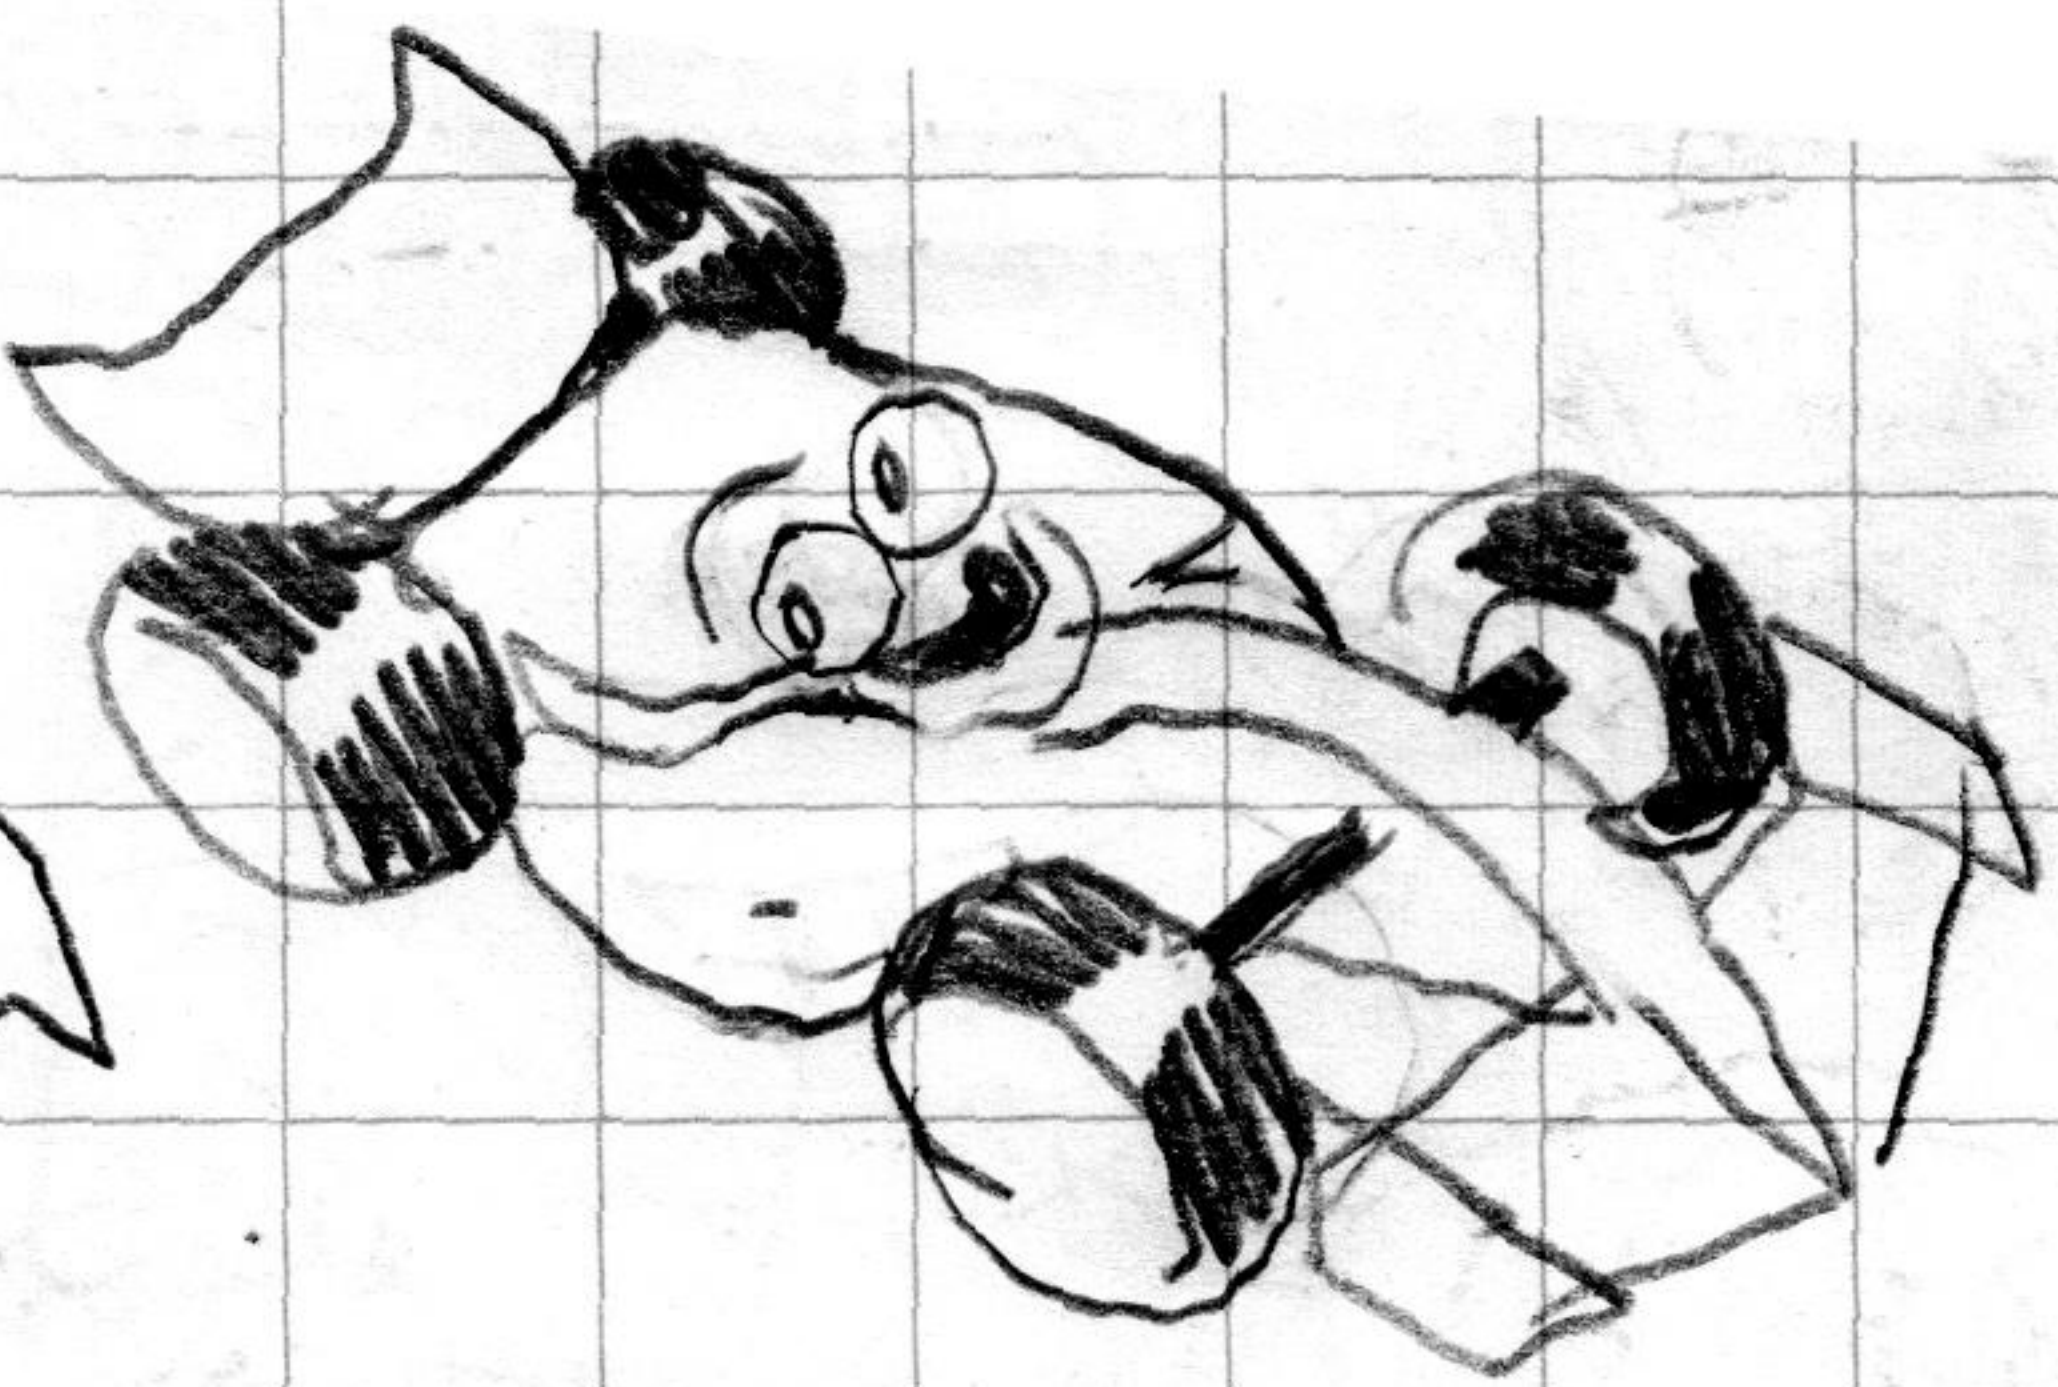

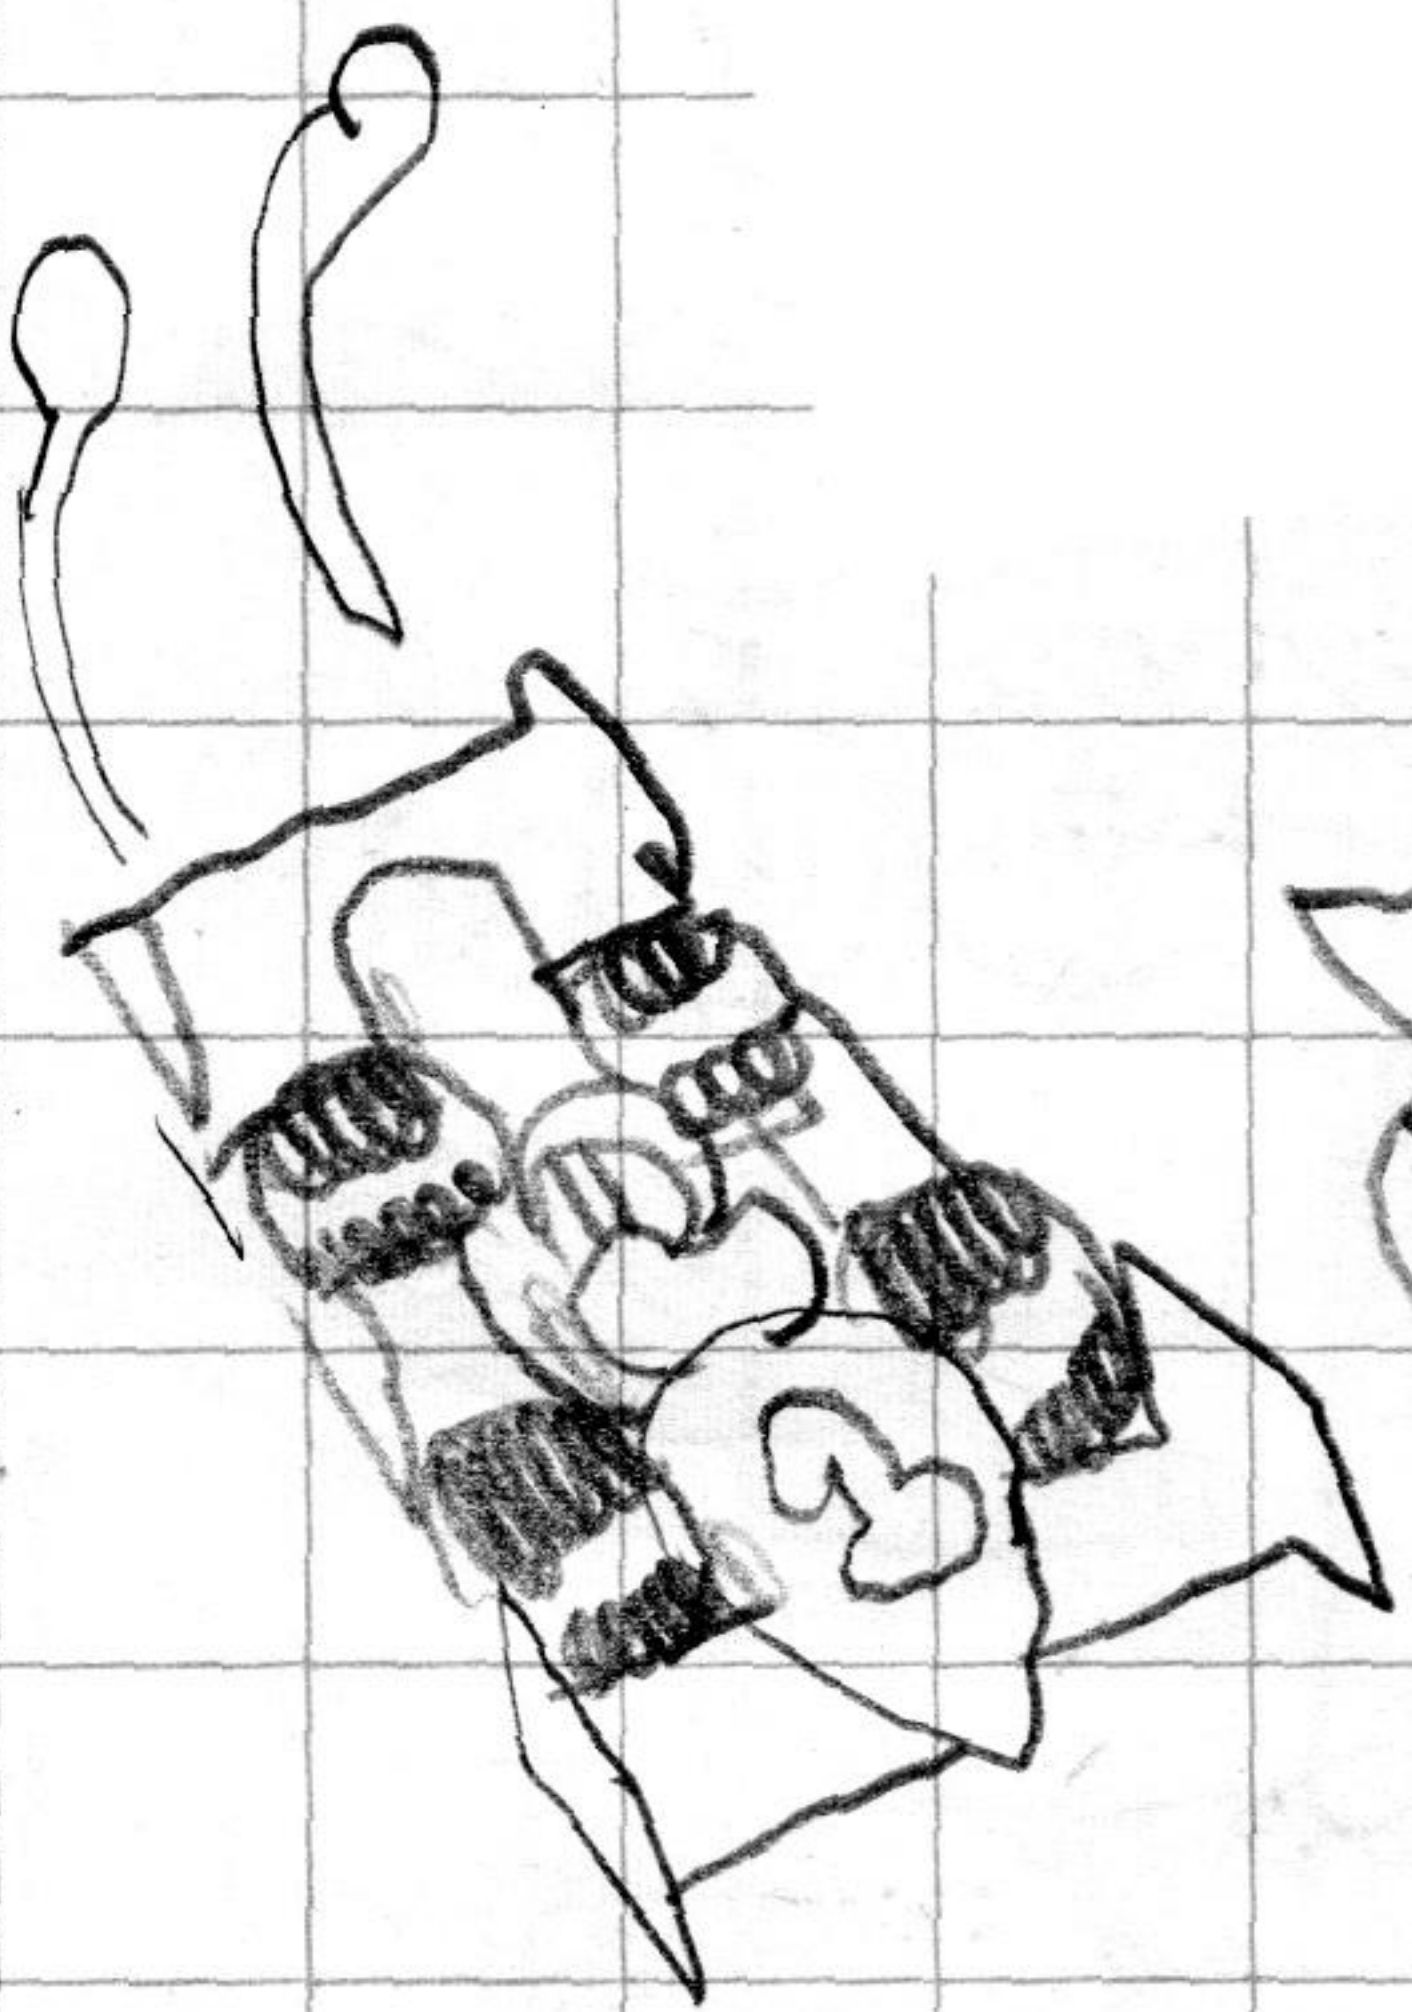

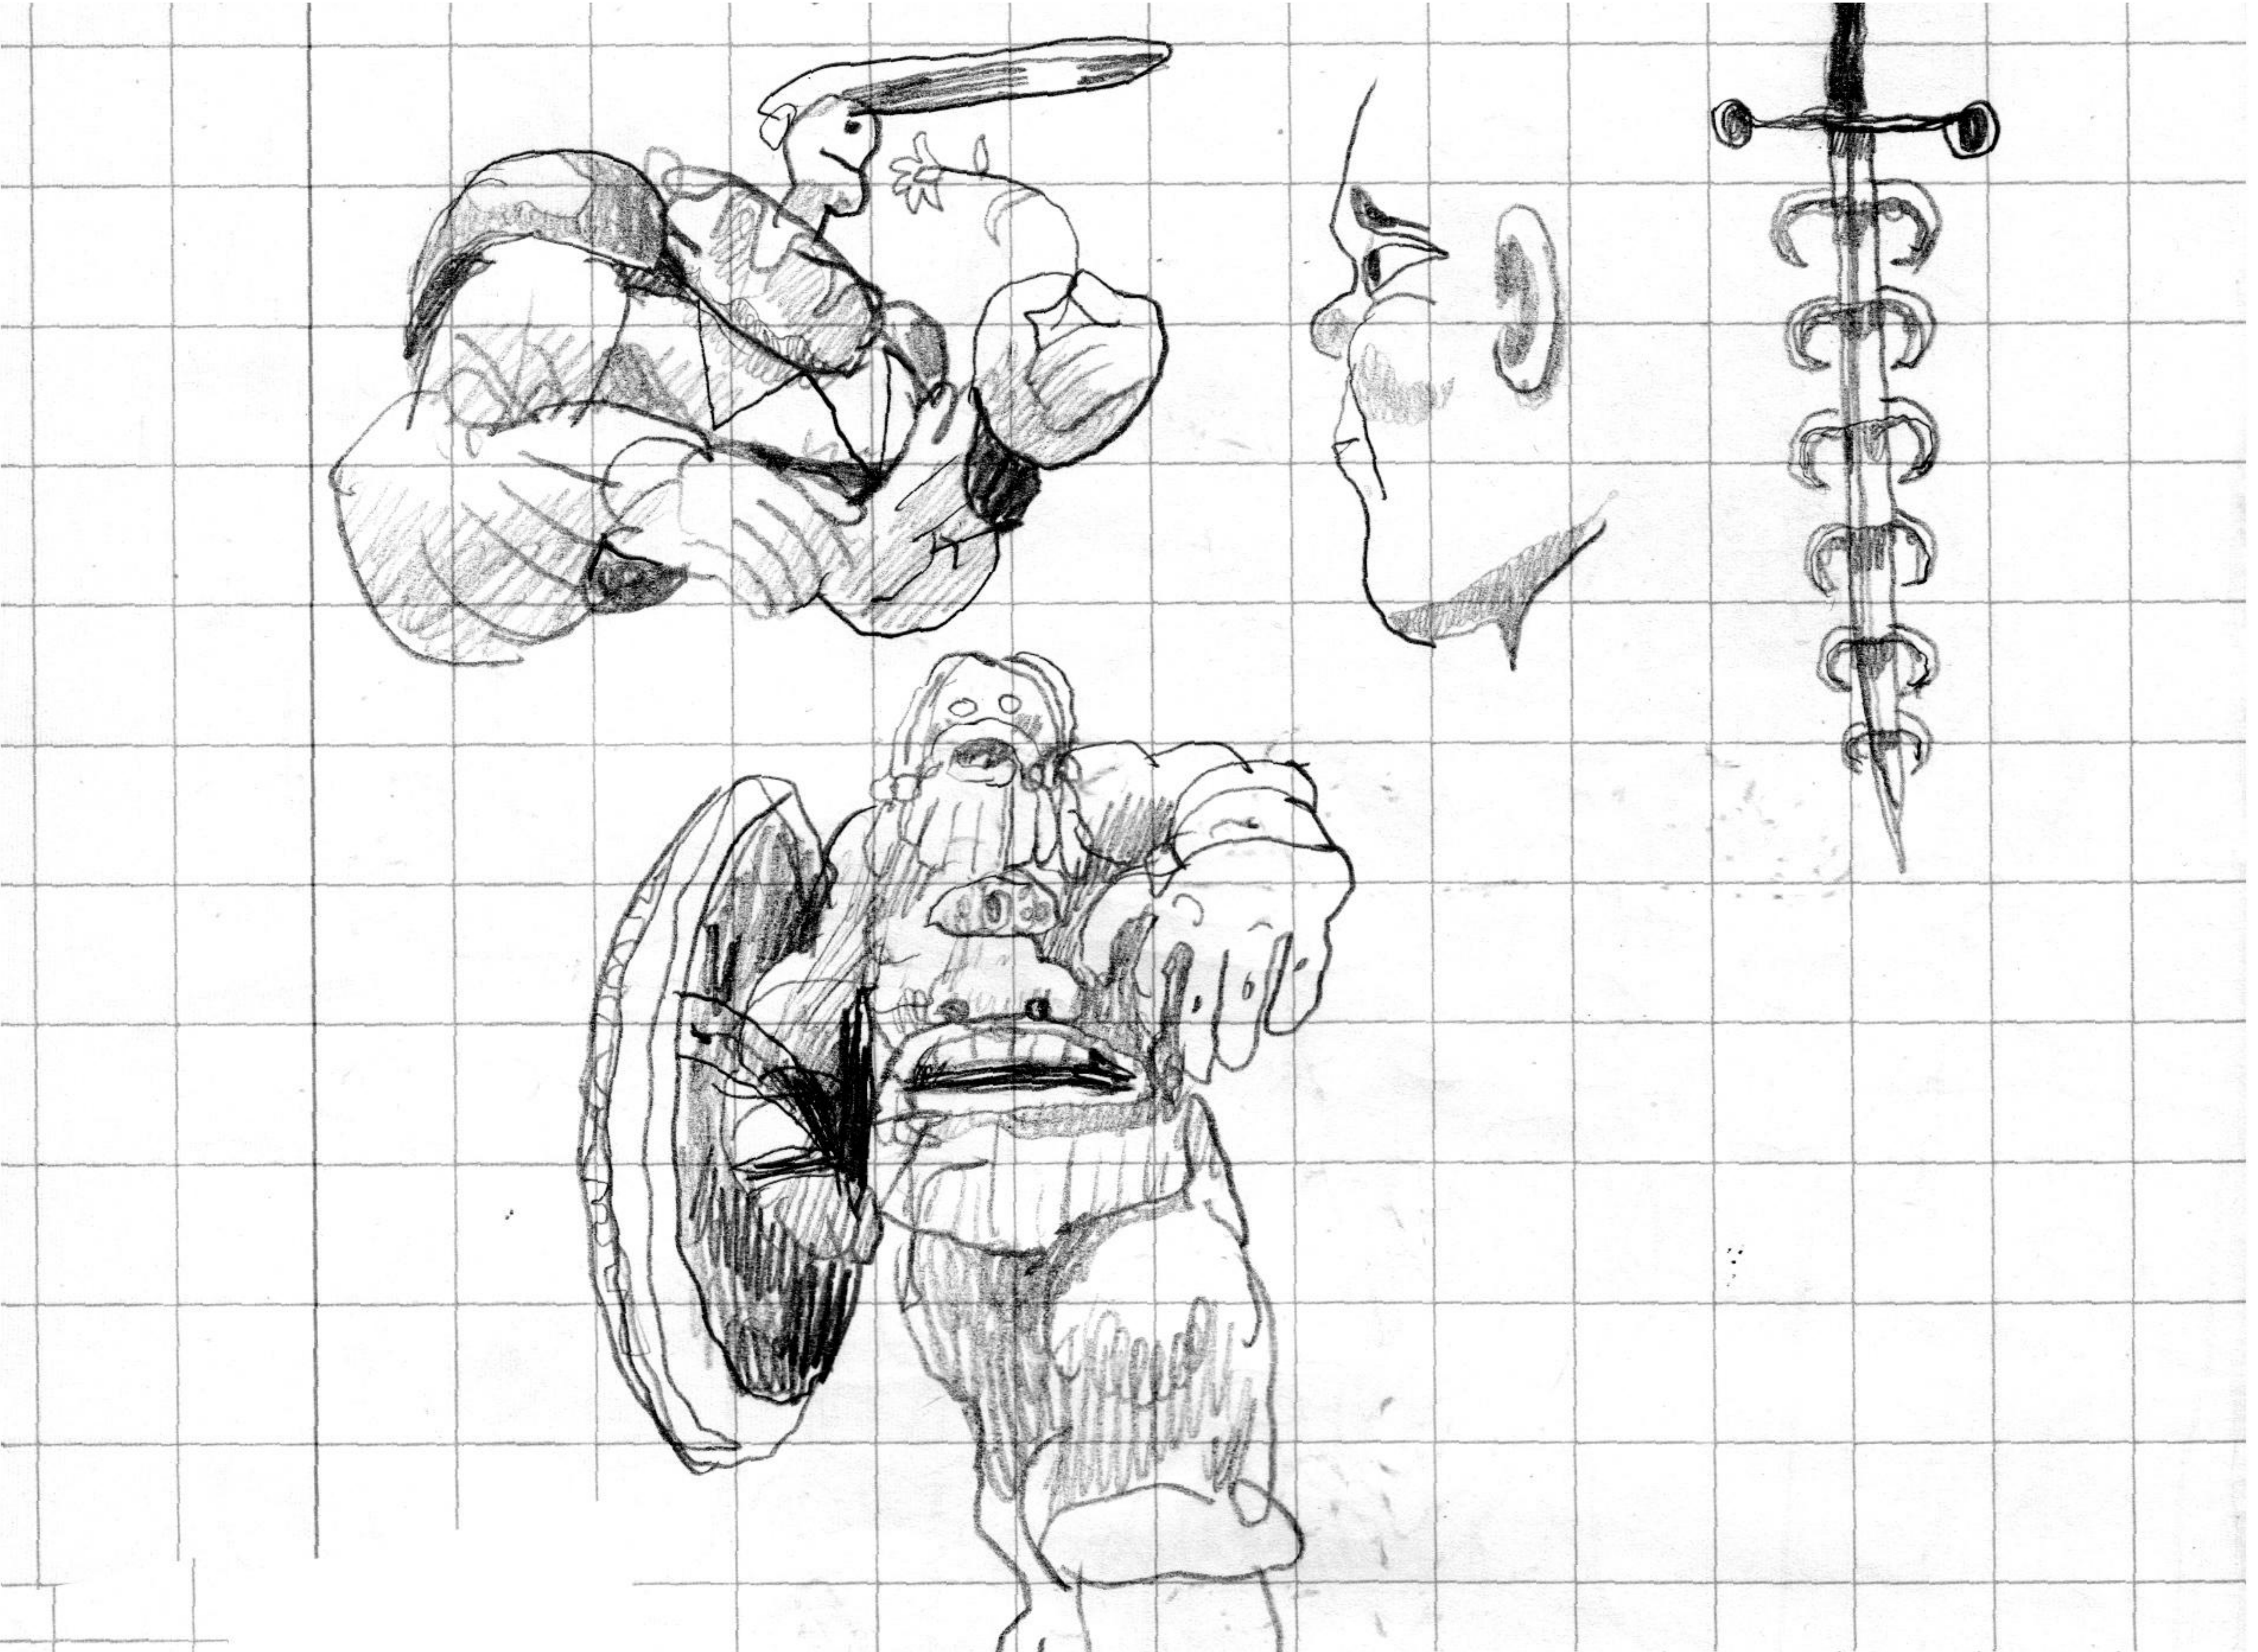

*This month does not lack  
drawings, but it's a lot of  
random stuff, which comes  
straight from my notebooks.  
However, it ends with a little  
preview of my next instagram  
comic strip.  
I hope you'll like it.  
Huge bisou.*

Des pochettes gameboy factices pour le jeu Gobble Fantasy 2003 de mon ami Dogs Understand.

Some dummy gameboy boxes for the game Gobble Fantasy 2003 made by my friend «Dogs Understand»

@dogsunderstand

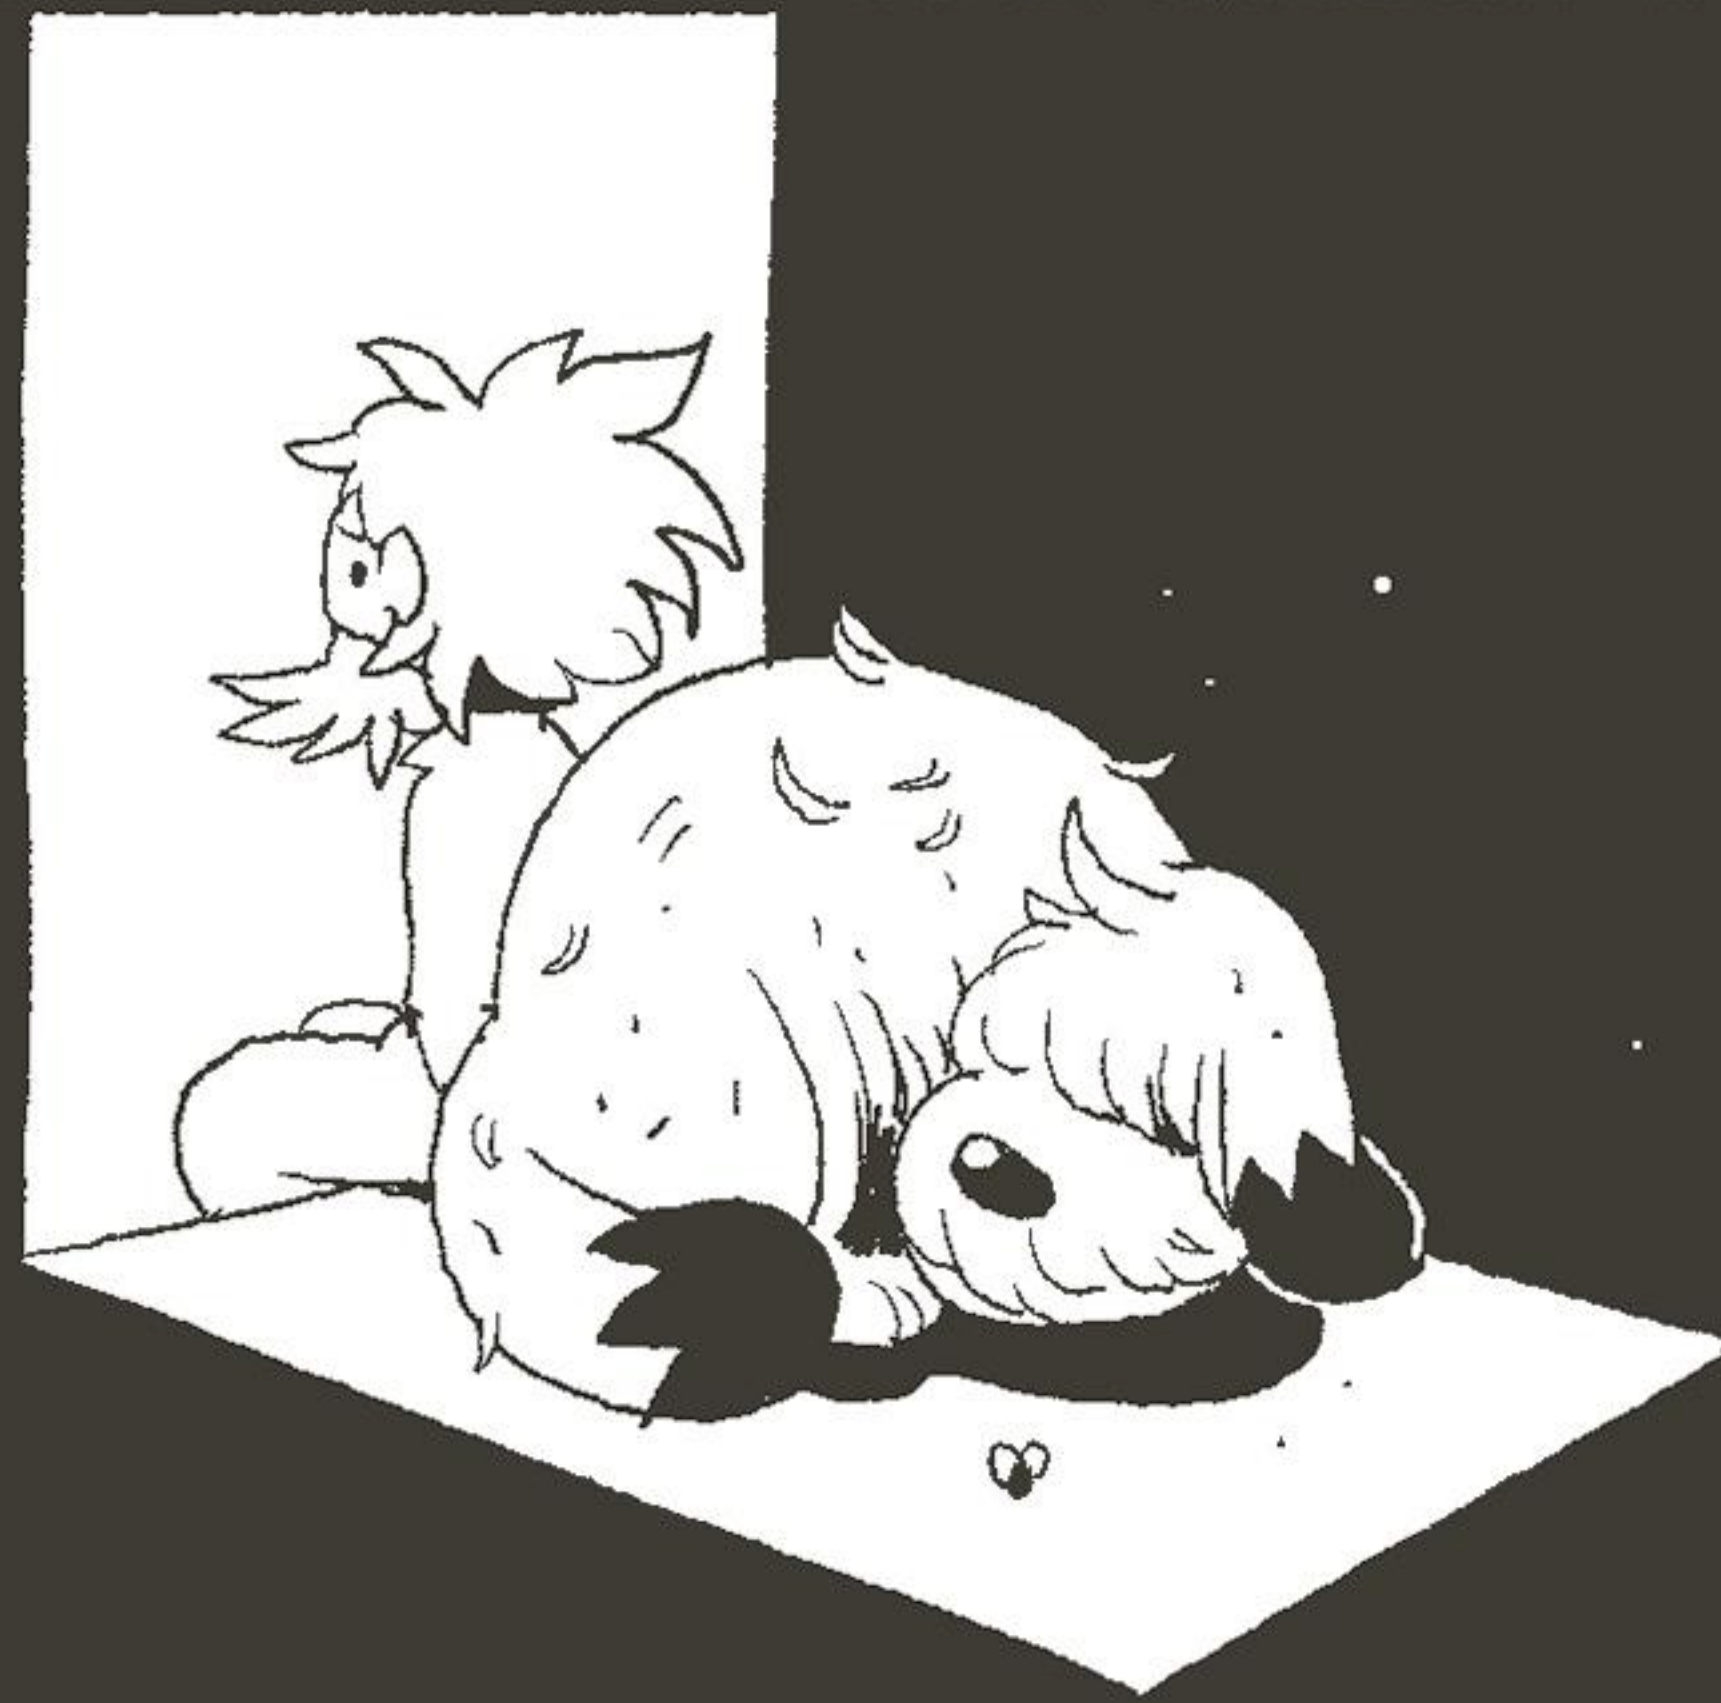

Il y a ce chien qui  
me suit partout.

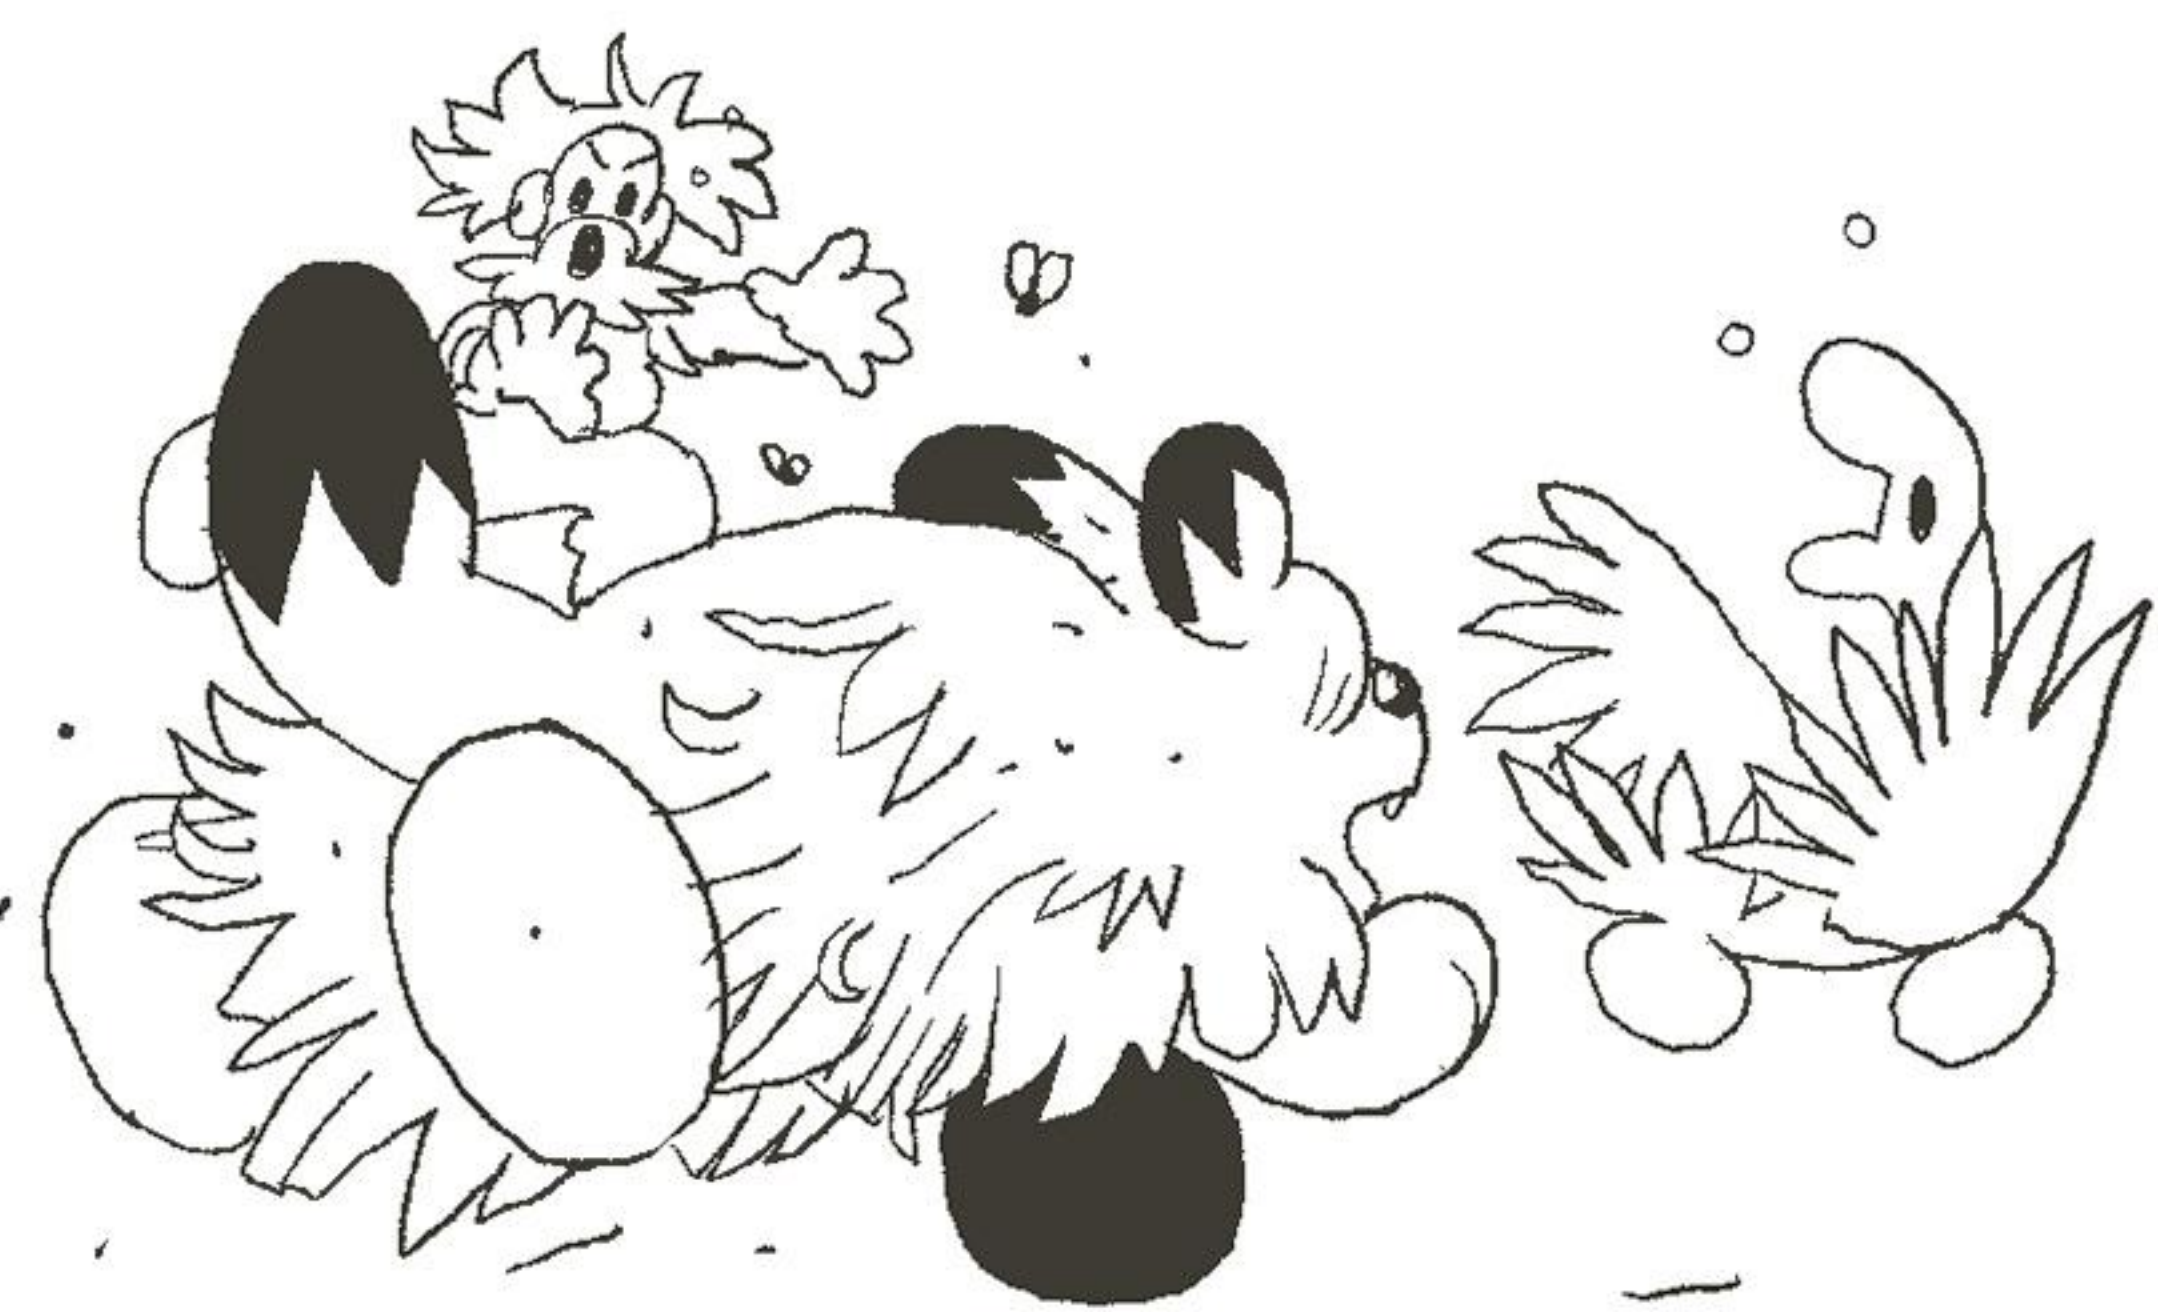

*there is this dog that  
follows me everywhere*

Il a tout le temps l'air mouillé,  
il ne sent pas très bon

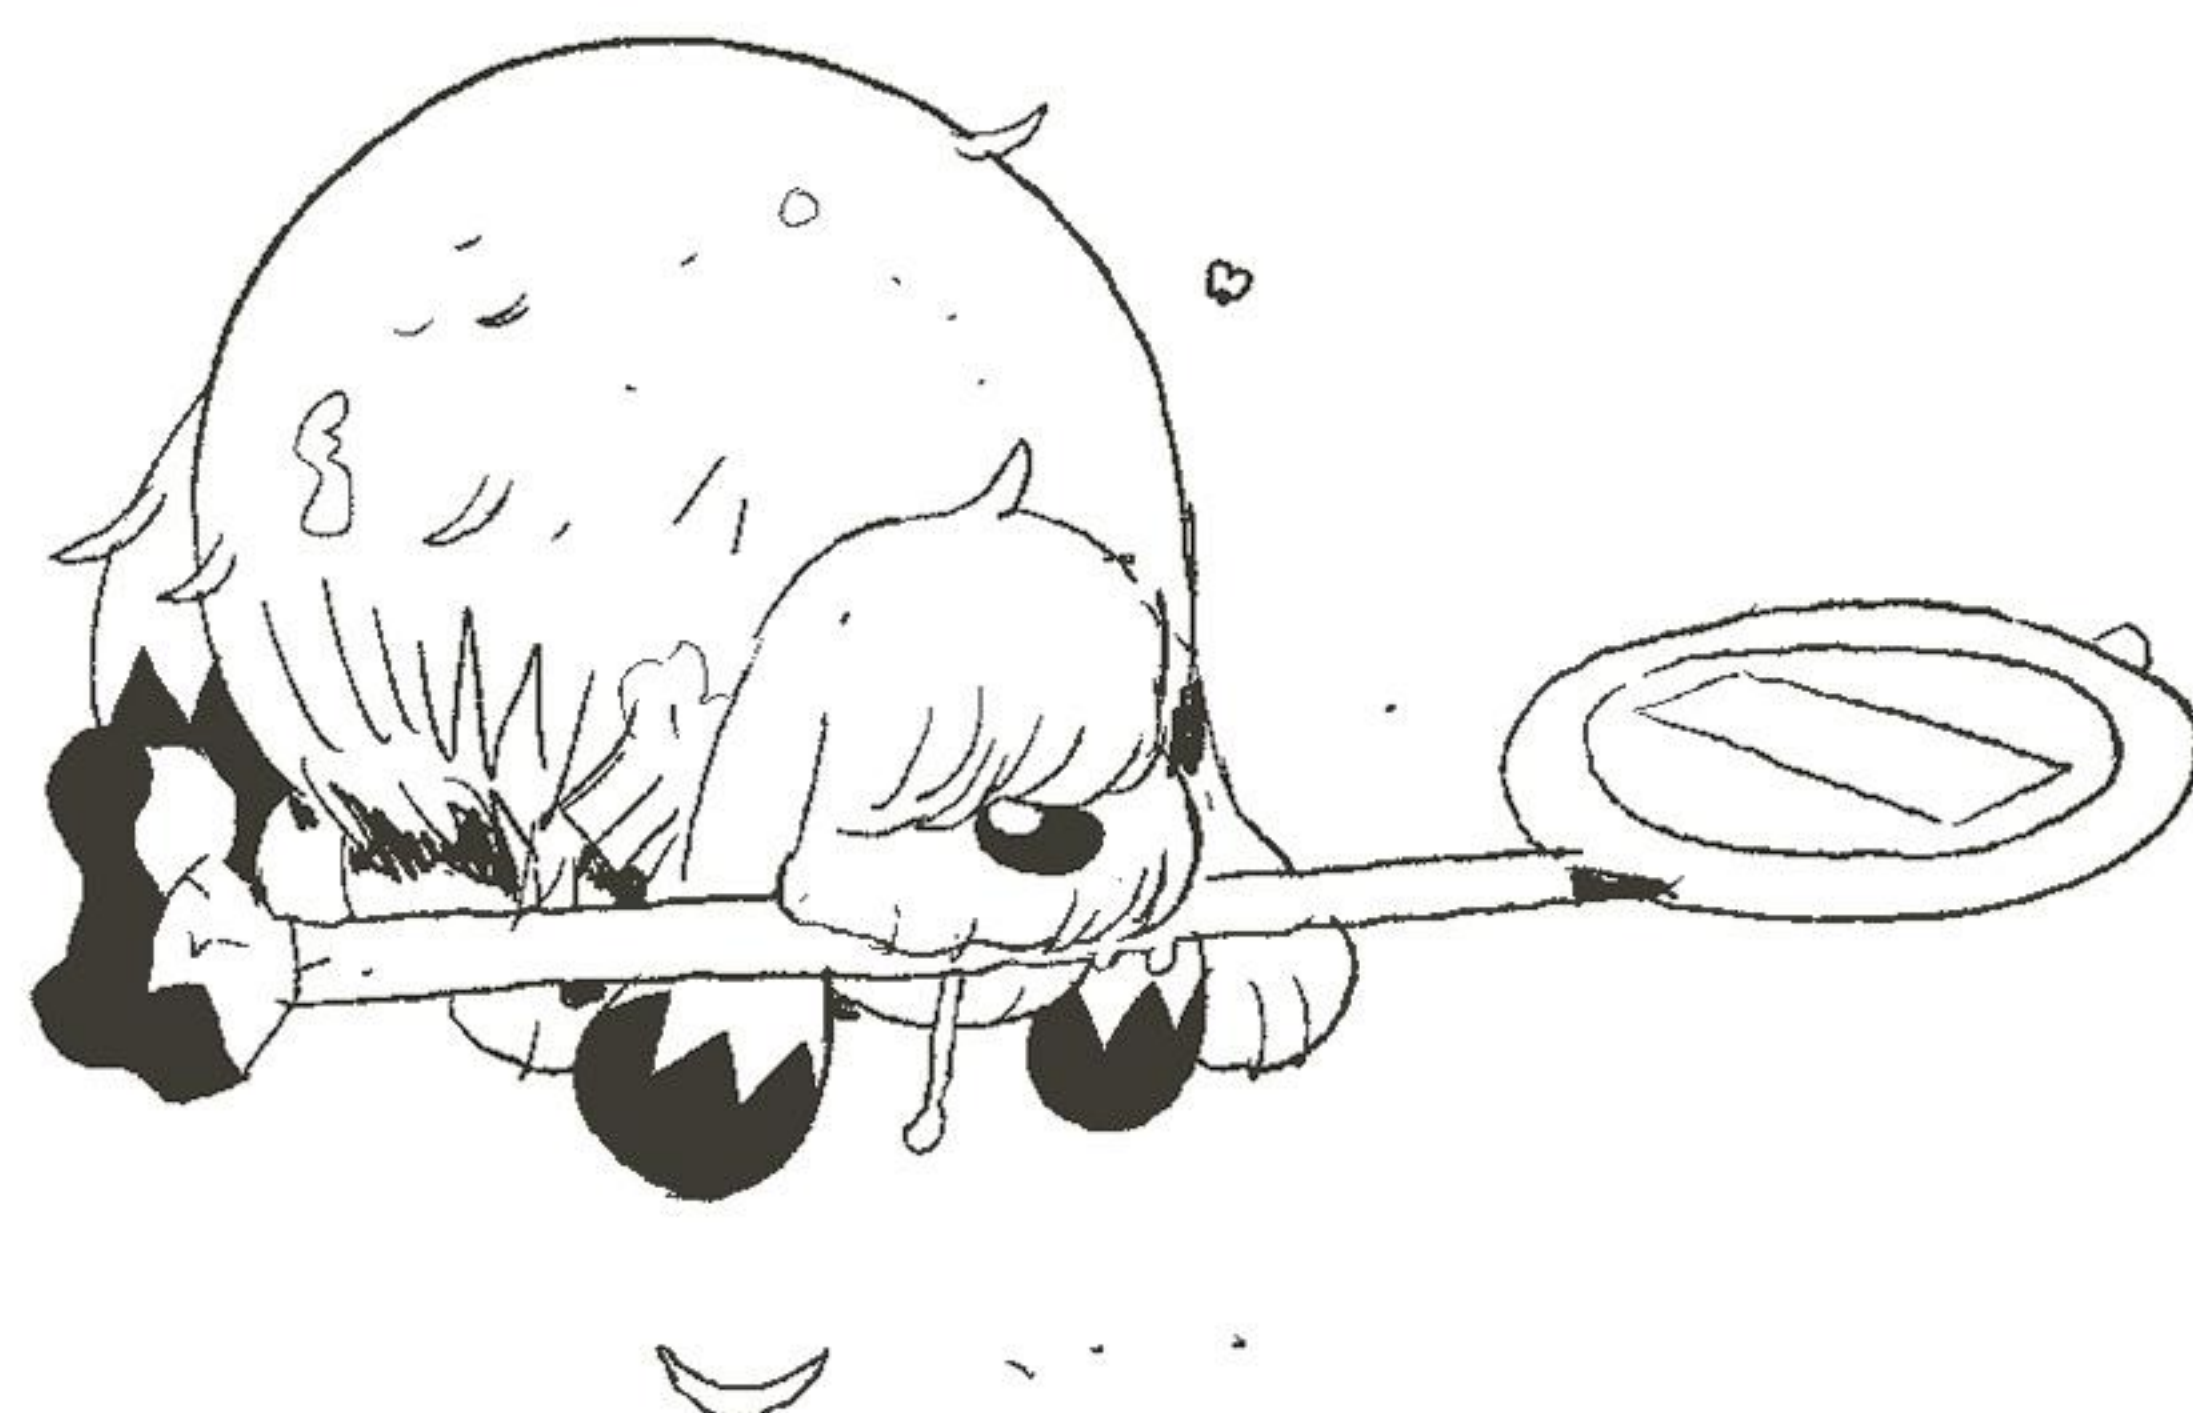

*he looks wet all the time,  
and he doesn't smell very good.*

Il n'est pas très malin non plus.

*he's not very smart either.*

Il me ramène souvent  
des objets inutiles.

*He often brings me  
unnecessary items.*

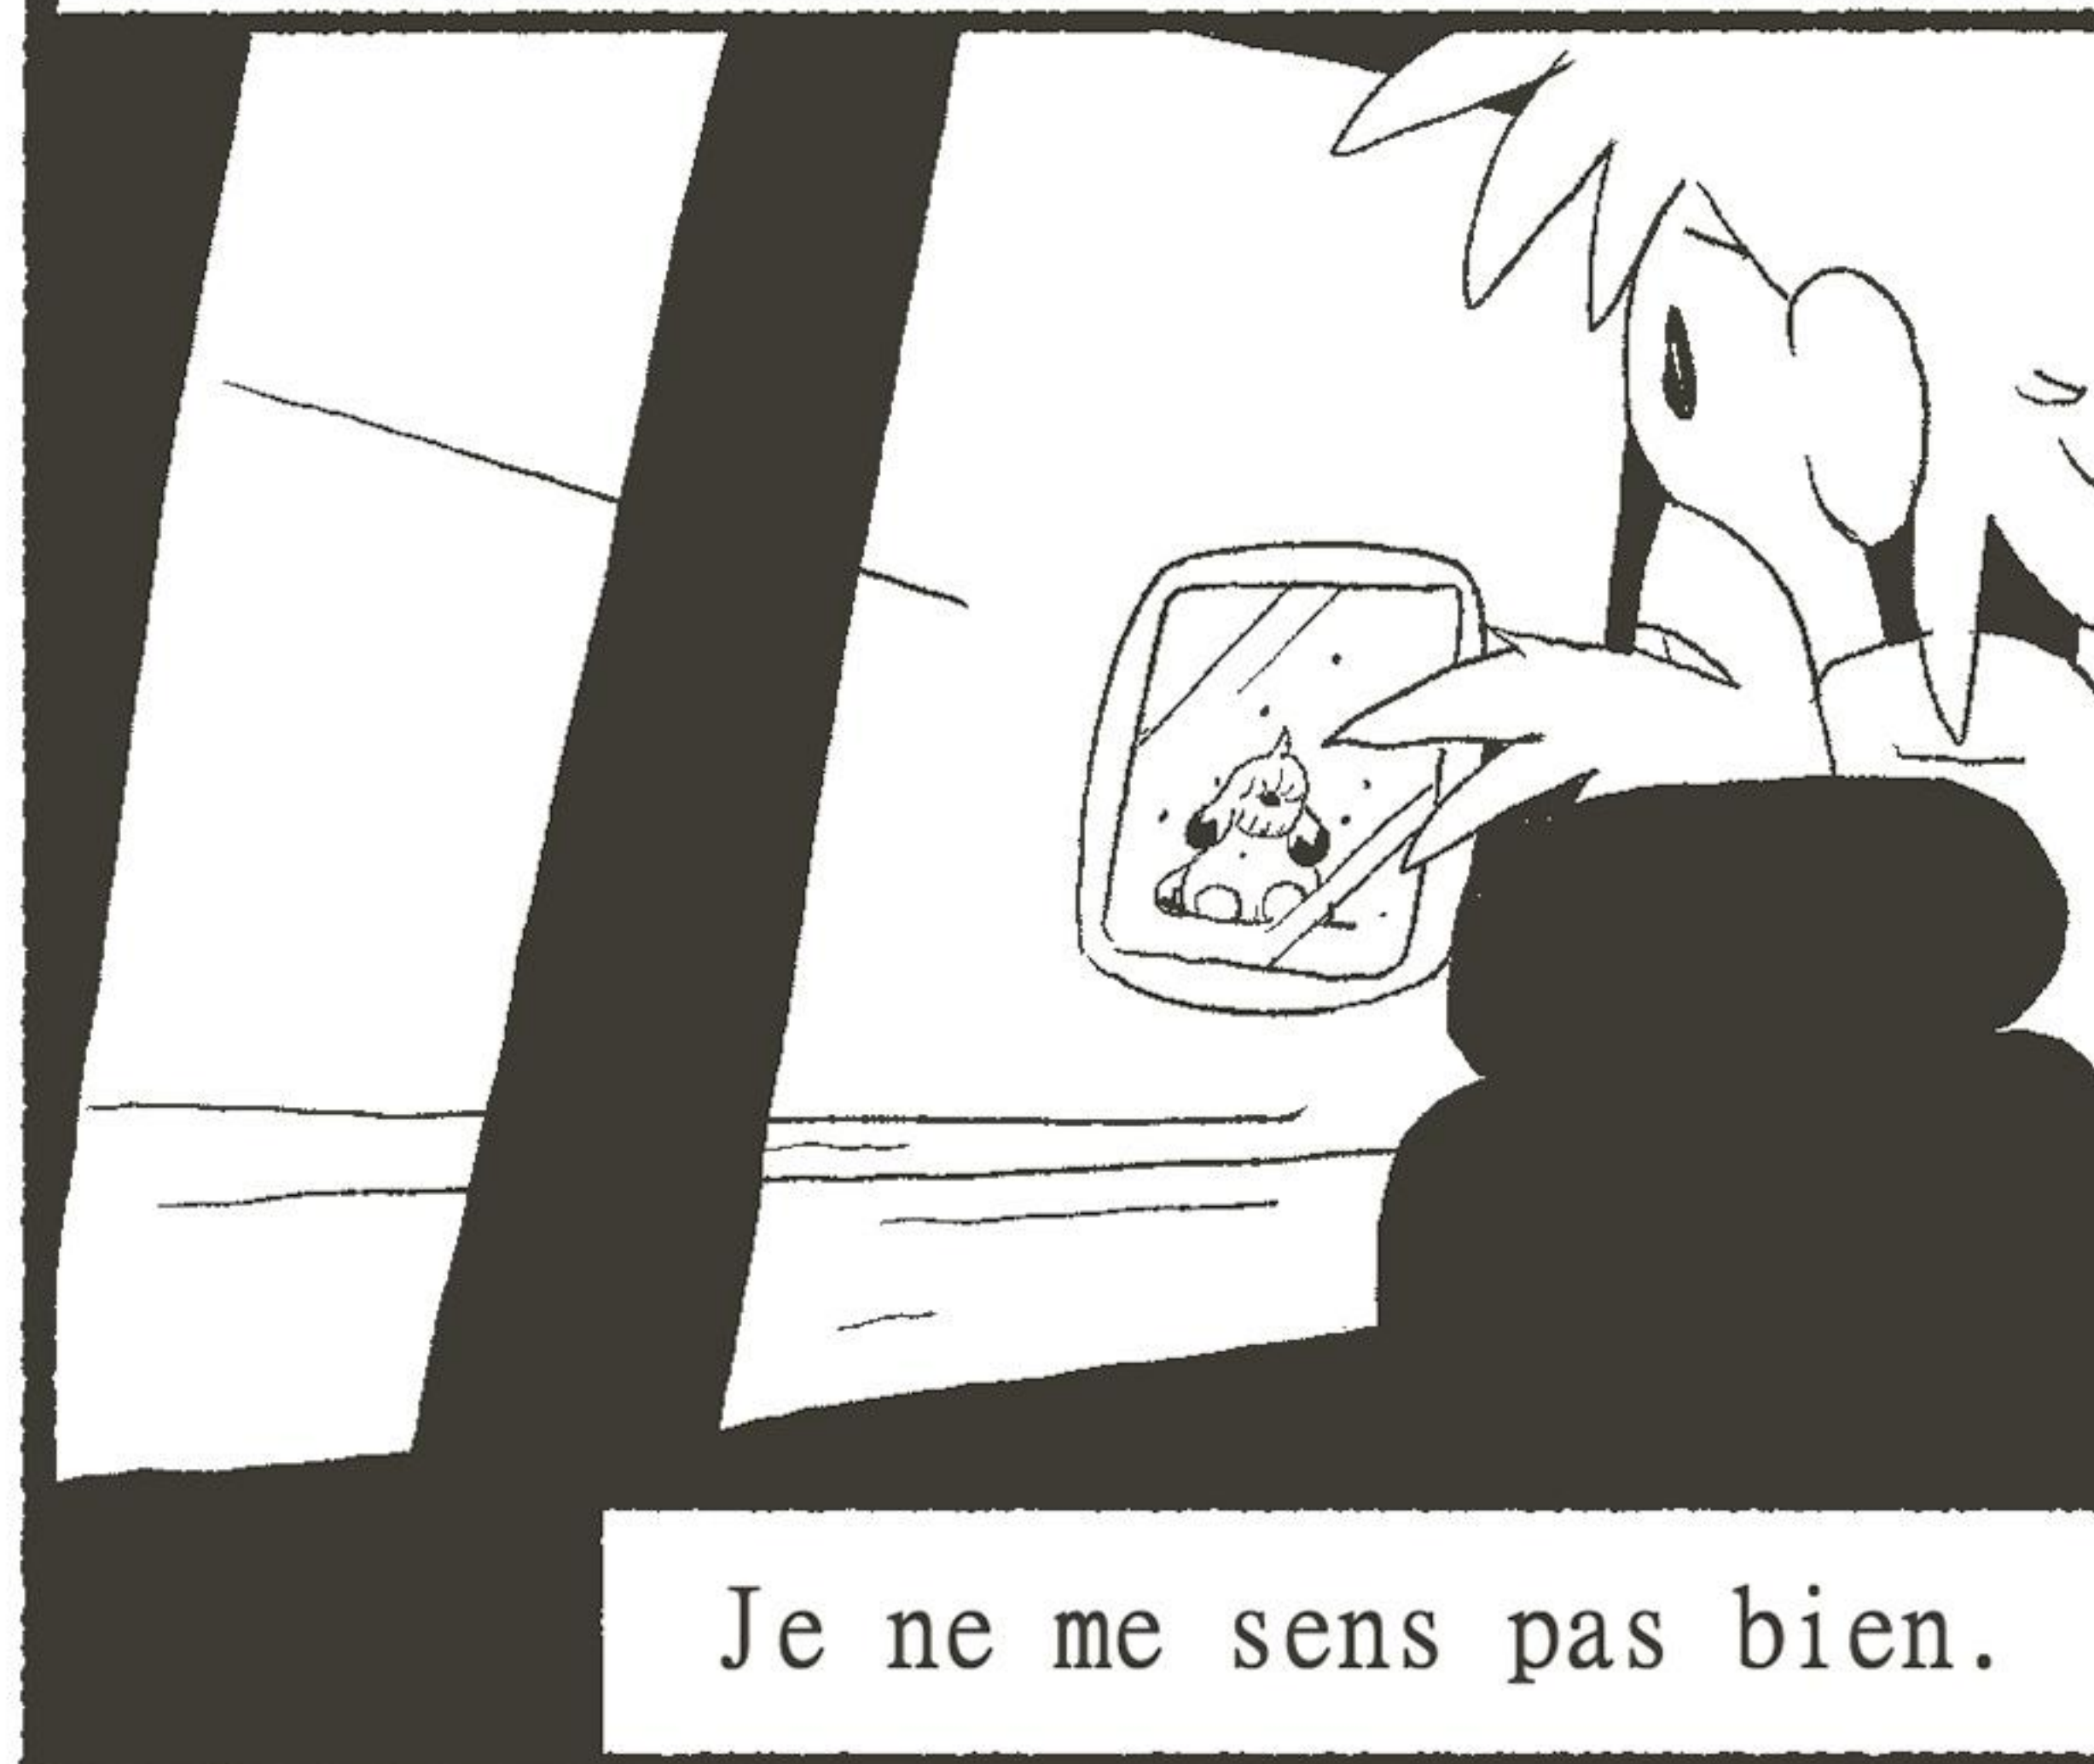

Je l'emmène en forêt,  
puis je cours vers mon automobile

*I take it to the forest,  
then I run to my car.*

Dans le retroviseur,  
il me regarde avec un air triste

Je ne me sens pas bien.

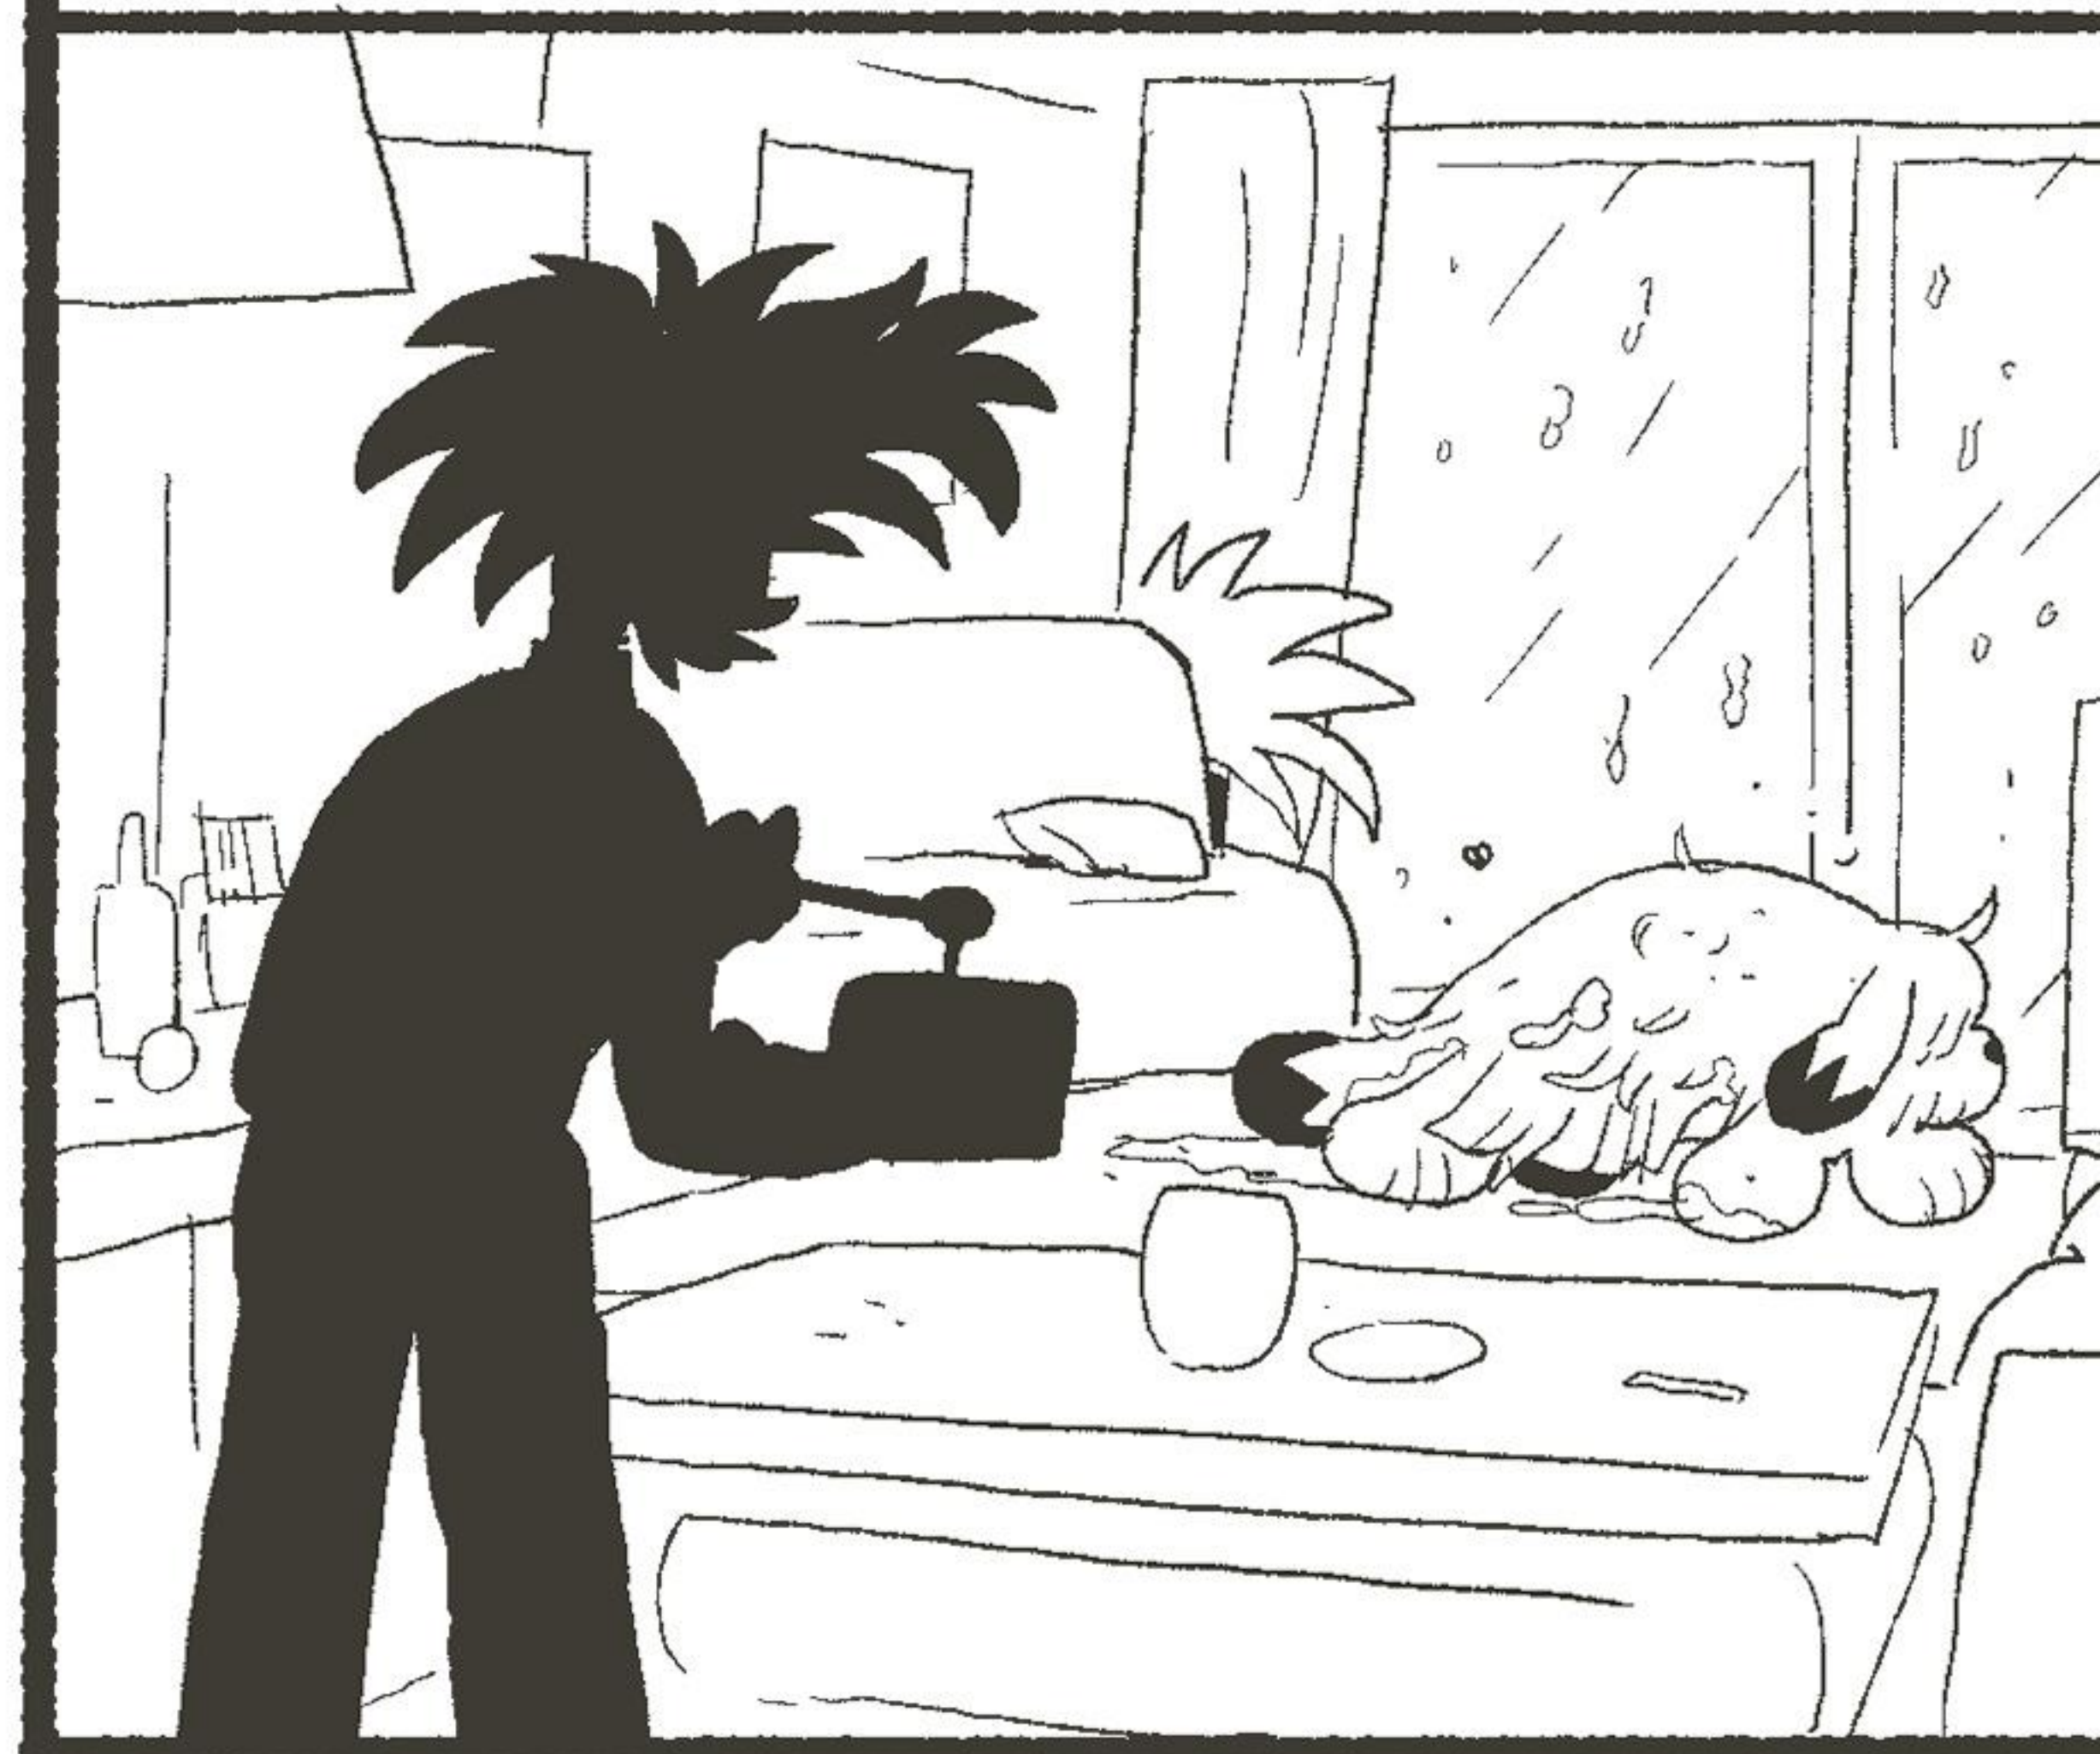

*in the rear view mirror he looks  
at me sadly. I do not feel good.*

Plus tard je me prépare à manger.

*later I prepare dinner.*

Le chien est dans le salon  
alors que la porte était fermée

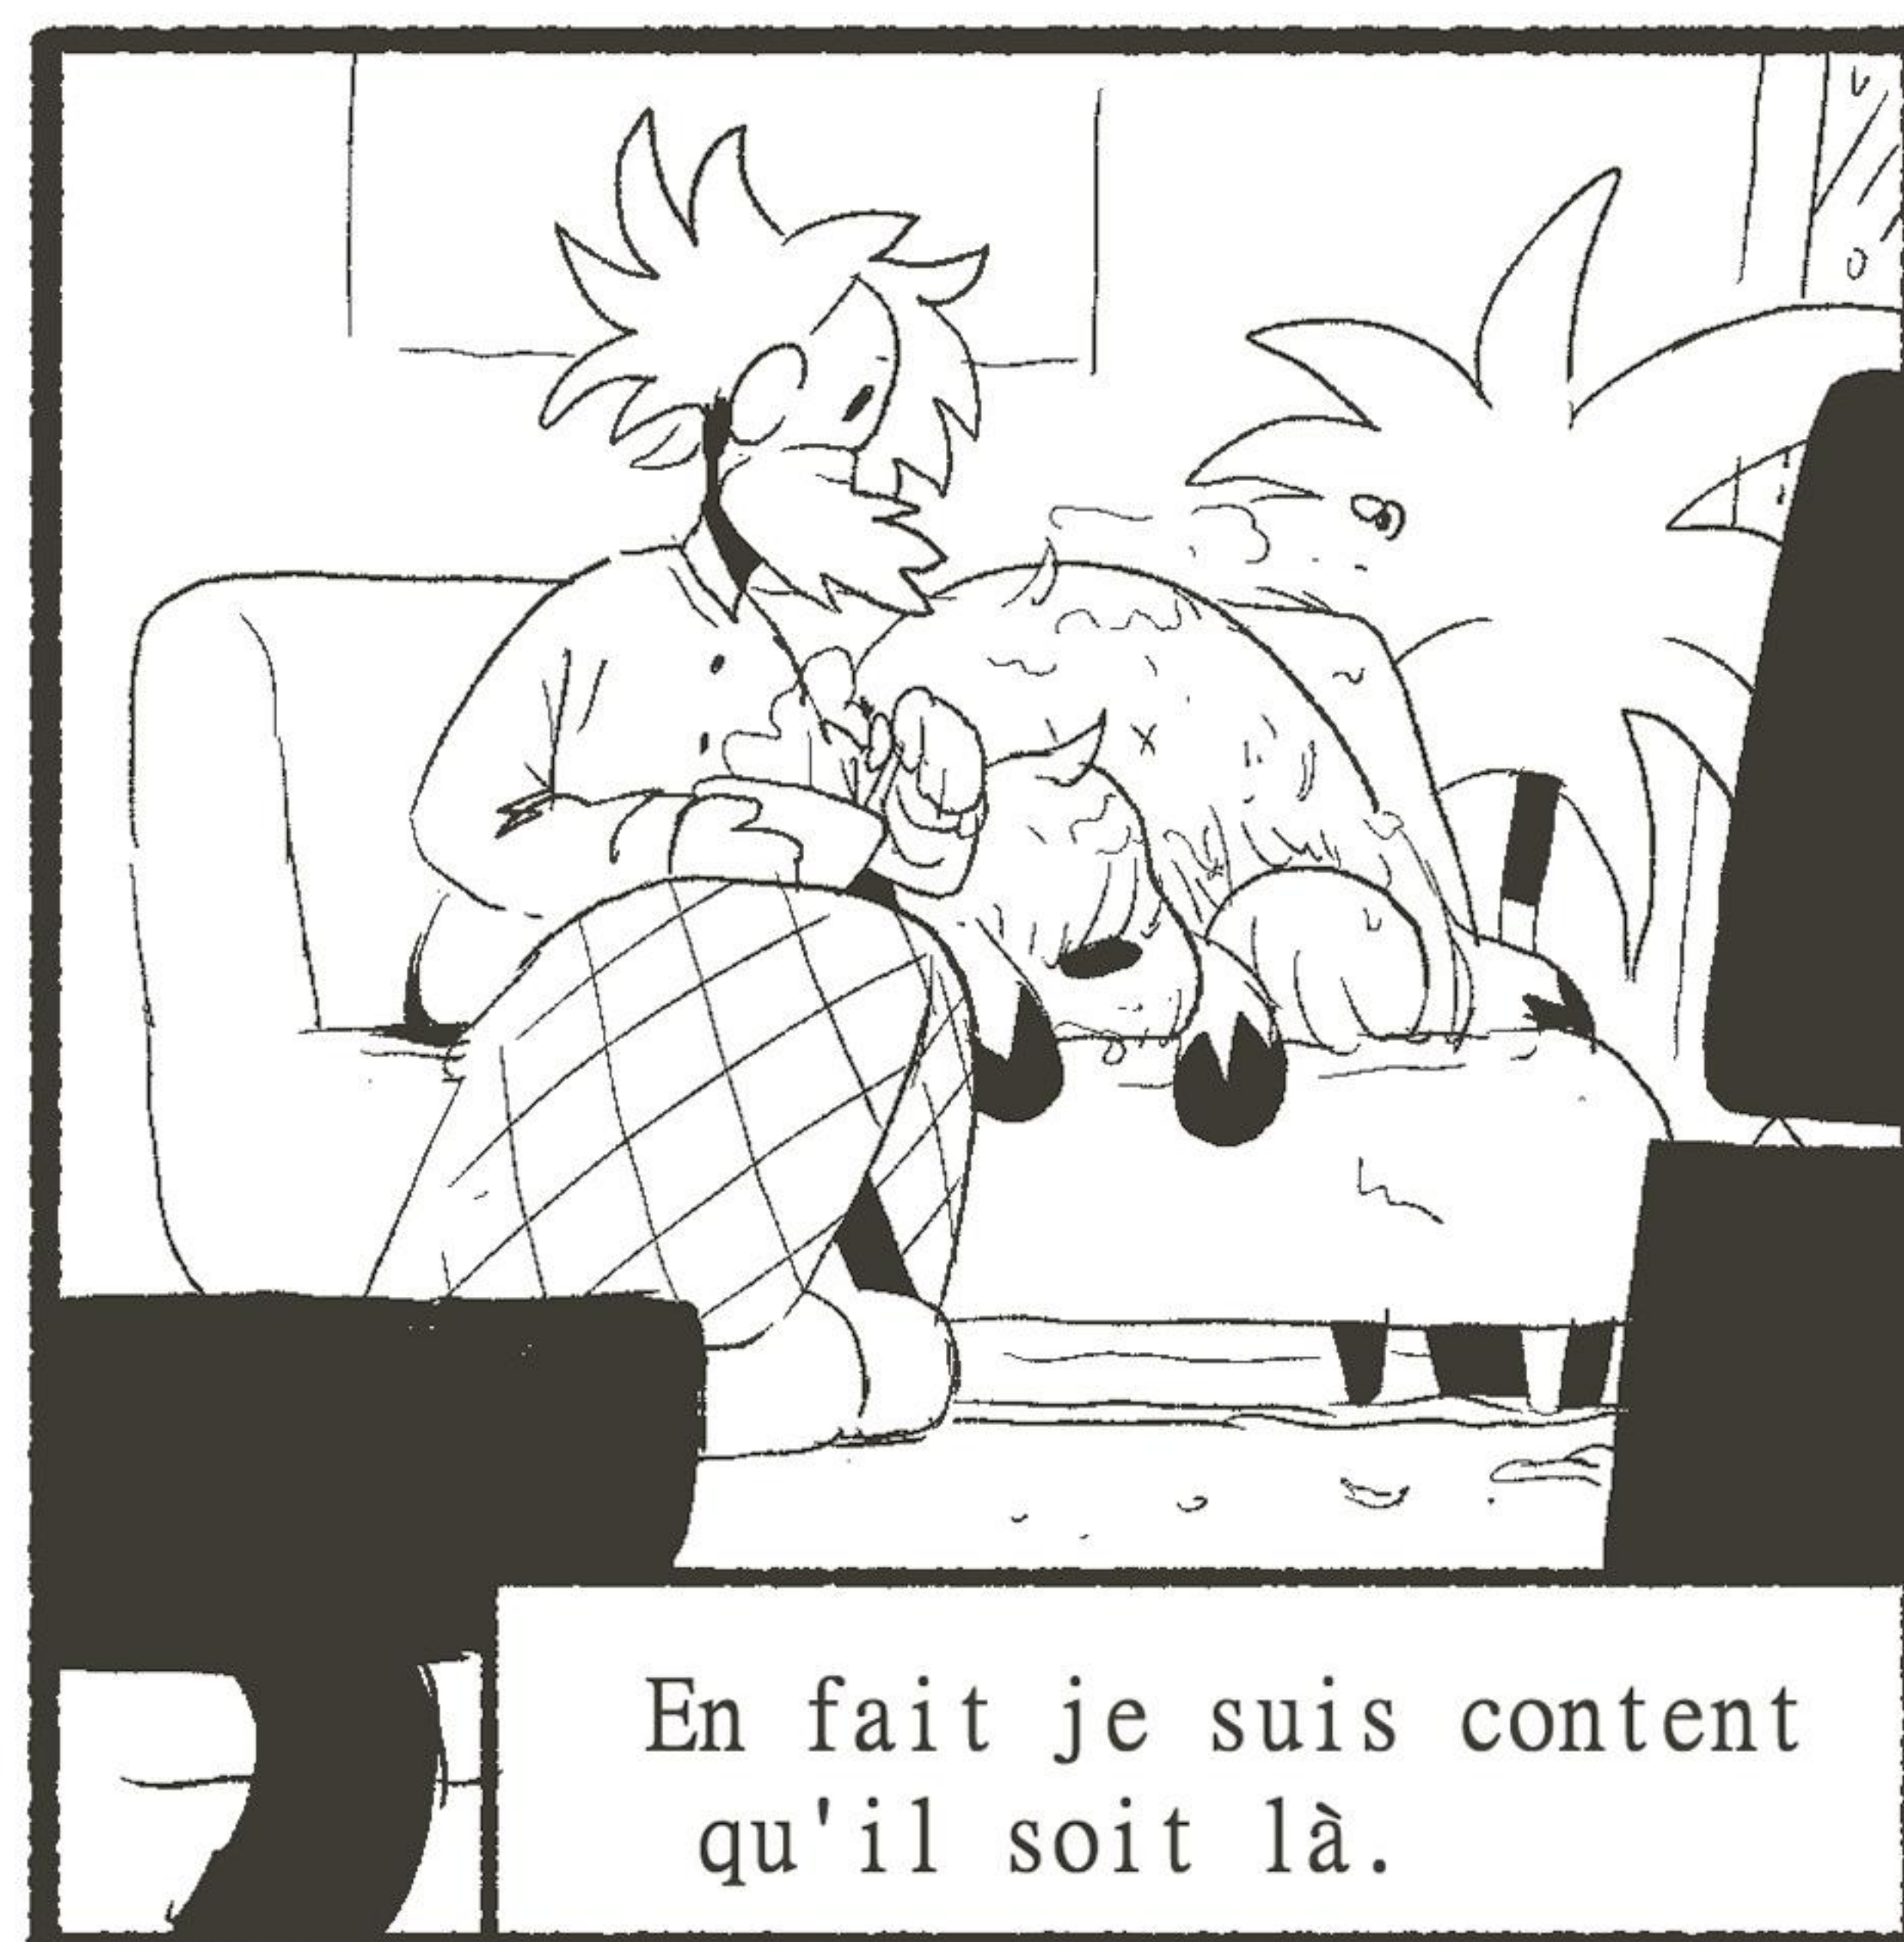

*The dog is in the living room  
while the door was closed.*

*Looks like a cursed dog to me.*

*I'm actually glad it's here.*
