Description: Marianne, an exchange student from Sweden, disappeared January 17, 1982 after shopping at a shoe store in Larkspur Landing, CA. Her remains were found in 2010 in a canyon in Fremont, CA, but weren't identified through dental records until 2014. Coleman, a convicted rapist who had just been released from San Quentin, was found with her car 10 days later in Oklahoma, along with Sabrina Ann Johnson, a female passenger he picked up in Seattle. He claimed he didn't know it was stolen and was convicted of car theft, but never admitted involvement with her disappearance, and received 5 years in prison. Coleman died on February 5, 1988 of unknown causes.
